Quick Guide: SIF EPIMS 2310 Support Content Teacher - No Scheduled Courses

The DESE outlined changes for 2018 EOY EPIMS that will allow 2310 Support Content Teacher Staff Assignments to be reported via SIF with an altered non-course Work Assignment. This change will allow SIF districts to report their full year Support Content Teachers with no scheduled course Work Assignments.

MESSAGE FROM IPASS SUPPORT:

DESE made some changes this year and is no longer ignoring the 9999 State Code we are sending. The teachers are getting assigned a random course and throwing some errors as a result. We are working to resolve the issue and will provide an update to users soon.
