Patch Release Notes - 7.0.20170803_sync

A patch release went out on August 3, 2017 (v. 7.0.20170803_sync).

This patch release put out updates to help with the follow SIF EPIMS Errors:

- EPIMS4001 - Record reported more than once in SR file
- EPIMS6206 - MEPID needs to be reported once in SR file
- EPIMS 6240 - Educatorâ€™s Professional Teacher Status (SR28) must be â€œNot Applicableâ€ where Job Classifications do not require a License
- EPIMS6086 - If the Overall Evaluation is non-administrative, then Professional Teacher Status cannot be NA (99)
- EPIMS6008 - Employee Status (SR09) not valid with Reason for Exit (SR10)
