Resolved Issues

Enhancements, Corrections and Minor Enhancements

The following items are included in this release.

Jira #	Description	Support Ticket #
IP-4014	Advanced Export Report rptexportadv.p is now displaying the Homeroom, Homeroom Teacher and Homeroom Teacher Print Name correctly.	5103948
IP-4010	To reduce the occasions of a parse errors in Publishing Dashboard and reduce the time in loading the reports to publish we have limited the type of Reports that now show in Publishable Content. The control on what can show is done in System Configuration > Configuration > Report Program. If you find a report is not showing please make a support ticket with the name of the Report and support will make an adjustment for you. Currently it is set to all PCL Reports which should be all that is needed.	5098900
