User Group Meeting

** Below please find the link to the Webex recording form the April 2020 user group meeting.

>> Click here to view the recording >> USER GROUP RECORDING

News & Updates:

- Patch 7.0.20200407_sync is going out Thursday
- AWS move is still planned for this summer. Need Volunteers to go early as test sites

Featured Topic: New DESE P-EBT Report (Pandemic- EBT) - Grades and Attendance for End of Year

- **New P-EBT Report**
    - The Advanced Export Report can be used for creating the new DESE P-EBT report
    - Some adjustments will be needed to put the data in the Template format
    - We are waiting for the DESE to release the Template and more information
- **Attendance**
    - Use up Snow Days
    - You can remove April Vacation and use only 180 days
    - Leave School calendars having all School Closure days as regular days
- **Term dates**
    - You can set the current term dates to extend the current term to the end of the year
    - Then fix the last terms dates if we go back to school
- **Grades**
    - Best to set up a meeting with Laura and your School Administrators to go over your plans for grades GPA and Gradebook
- **GPA**
    - GPA is based on Final Grades so what do you want to have in GPA
- **Gradebook/Rankbook**
    - Gradebook/Rankbook can be used as normal or you can adjust the possible points for your custom Rubric   1 possible points get 1 if turned in and 0 if not turned in or 4 possible and give points 0-4.
    - Remember Gradebook/Rankbook used possible point and earned points to get the average. So having really assignments mixed with these lower possible point assignments will work for you.
