APPLICATION ENHANCEMENTS

NOTE: the version 7.020150302 was changed to 7.020150304 to add a fix for the fields needed on the discipline screen under Report to DOE.

1. To accommodate the 2014-2015 SDR changes new fields have been added to Discipline incidents. The new fields are as follows:
 - a. Educational Services Comments > If applicable, the specification or explanation of education service codes.
 - b. Offense Types 1 through 5 > a description of the Type of Offense.
 - c. Incident Description > a general description of the incident.
 - d. Appealed – If suspended or expelled by the principal for more than ten days, did the student appeal the decision to the superintendent.

iPass Main Menu > Discipline System > Add/Edit an incident > Select Required for DOE Reports.

The screenshot shows a web form for adding or editing a discipline incident. The form includes several dropdown menus and text input fields. Red arrows point to specific fields: a left-pointing arrow to the 'Extra Suspension Days' checkbox, a downward-pointing arrow to the 'Education Services Comment' field, and two right-pointing arrows to the 'Alternative Education Not Provided' dropdown and the 'Appealed' dropdown. The form is organized into two columns of text input fields. The left column contains 'Education Services Comment', 'Description for Offense Type 2', and 'Description for Offense Type 4'. The right column contains 'Incident Description', 'Description for Offense Type 1', 'Description for Offense Type 3', and 'Description for Offense Type 5'. At the top left, there are dropdowns for 'Bodily Injury Incident (SPED Student Only):' and 'Physical Injury:'. At the top right, there is a dropdown for 'Alternative Education Not Provided:' and an 'Appealed:' dropdown.
