APPLICATION ENHANCEMENTS

A new indicator titled "Export this guardian's information to third-party products?" has been added to Guardian Information. This indictor allows school districts to select which Guardian's information should be included in exports going to third party products.

Please note: Currently this indicator is honored by the Clever export. Other exports will honor this indicator in future releases.

iPASS > Biographical System > Find a Student > Add or Modify Guardian Information > Export this guardian's information to third-party products? (Yes/No).
