Patch Release Notes - 7.0.20180424_sync

A patch release went out on April 24, 2018 (v. 7.0.20180424_sync).

The following went out in this patch release:

- Honor Roll Rule â€œORâ€ statement is now working to correctly identify students that qualify for each Honor Roll list when calculating Honor Roll.
- Script run on all iPass sites to create iPass user accounts for Harris Tech Ops Team members. All Harris staff accounts have User Type = Developer and User ID ends with SIS.
