

Patch Release Notes - 7.0.20170907_sync

The 7.0.20170907_sync Release included the following enhancements, minor improvements and minor corrections.

Enhancements:

- Grade Transfer During Schedule Changes - An update to the Modify Schedules screen now gives the user the option to drop one or more course sections for a student, schedule the student into other sections of the same (or similar) courses, and transfer any existing Term grades from the original sections into the new sections.

Minor Improvements:

- Daily Attendance Parameter for Maximum Number of Years
- PIMS Discipline Reports can be run for previous years

Corrections Related To:

- iParent Configuration
- Reports Cards
- Gradebook
- Transcript History
- Export MA Discipline Report
- SIF EPIMS Evaluations
- iStudent Configuration > Create iStudent Accounts
- Bio Verification PCL Form Parameters
- SIF SIMS DOE052 (Unexcused Absences)
- SIF SDDR Expulsions
