# Patch Release Notes - 7.0.20170922_sync

**\*\* RELEASE NOTES WILL BE POSTED AS SOON AS THEY ARE FINISHED. PLEASE CHECK BACK SOON. \*\***

A patch release went out last Sunday (7.0.2070922_sync) that included updates, minor improvements, and corrections including:

• 2017-2018 MA SIMS, SCS, EPIMS, and SSDR State Reporting Changes *(See note below)

• Bio System > Mass Update Students â€“ New ability to update studentâ€™s Report to DOE = Yes/No setting

• Discipline Records â€“ New default values, discontinued fields removed, and Victim record changes

*NOTE: There are 2 items that did not make it into this patch and will be pushed out later this week: DOE024 First Native Language and SIF elements for Foster Care, Dwelling Arrangement and Unaccompanied Youth.

If you still have errors related to the updated fields, check your version number in the lower left corner of the iPass Login screen. It should show as 7.0.20170922_sync. If you do not have this update version, submit an eSupport ticket. If you do have the latest update then refresh your SIF SIMS Data using the following steps:

• Use Delete SIF Tmp Table to clear StudentPersonal and StudentSchoolEnrollment Objects

• Use SIF â€“ Send Objects to send StudentPersonal and StudentSchoolEnrollment Objects
