

Patch Release Notes - 7.20180418_sync

A patch release went out on April 18, 2018 with the following corrections:

- Teacher's Grading System > Add/Modify Course Grades (grdinputgradesclass.html) is now indicating Dropped and Withdrawn students with red hash tag indicator (#).
- Dropped courses are now excluded from PCL Progress Reports, Reports Cards and Transcripts if there are no Grades.
- iStaff Attendance screen is no longer displaying Exited employees.
- The Enter Daily Attendance (attstuselect.html) will no longer allow attendance to be entered for a non-school day if the date is changed to a Saturday or Sunday by accident just prior to Submit.
- iTeacher/My Courses > Seating Chart (tchrseatingchart.html) no longer has an error for overlapping images after you resize the images.
- When a user has Security System > Manage Users > Extra Security Option checked off to allow "Can enter grades for closed terms" they are now able to enter grades for closed terms.

**** Refer to the attached Release Notes for more information. ****
