

Patch Release Notes - 7.0.20180523_sync

A patch release went out on May 23, 2018.

**** Refer to attached PDF document. ****

The patch included the following improvements and minor corrections:

Add a Year-to-Date GPA field on the PCL Report Card.
iStaff Career Screen was not displaying the correct descriptions for Steps and
SAML > MA DOE Single Sign On Role 490 Head of Organization was being p
iPass > updemployee.html > was not saving when submit is selected. This is
PIMS: iPass > PIMS Report > new Student report > Career Standards Benc
SIMS: Services Only Students were being reported with Title 1 DOE020 feed
SIF SSDR: Some "Other" Offenses were not sending the MAOffenseOther in
PIMS: District Safe School field 4 template had had word ZERO added.
Gradebook: Student Category Average may include non-existent assignment
Changes made to SIF Staff Assignment XML to send correct elements for SIF
Teachers with no scheduled courses. Refer to iPass Help > SIF > Help > Qu
