Patch Release Notes - 7.0.20180718_sync

A patch release went out on July 18, 2018 with the following corrections:

Competency Report Cards â€“ Improvements made to performance speed to create report cards.
SIF SCS: StudentSectionEnrollment object is now sending SCS08 Course Enrollment Status code for Completed (03) when course is set to Non Graded Course = Yes. **ACTION REQUIRED:** SIF Districts with Non Graded Course(s) with the Error of â€œSCS2390 â€“ Student is still enrolled in class at end of yearâ€ should use Delete SIF Temp Table to clear StudentSectionEnrollment object and then use SIF Reporting > SCS > School to send SCS objects for the entire school or for individual course(s).
Discipline System > Add/Modify Discipline screen (disupdate.html) will no longer lock up when the current School Calendar includes holidays that are set outside of current school year.
