Teachers Extra Security Options Query

This query report can help you find which teachers have Extra Security Options selected in their user account.

The resulting report gives a list of Active Teachers (User Type) and the Extra Security Option(s) assigned to them in their user account.

** Directions on how to download a query from iPass Help and import into your iPass account can be found in iPass Help > My Queries > Help > [How do I import a query file into my iPass database?](#)

Example:

Last Name	First Name	User Id	Description	Active	Mnemonic
AM	Staff	autotech	Teacher	yes	TCHVIEWALL
(Last Name)	(First Name)	(User ID)	Teacher	yes	TCHVIEWALL
(Last Name)	(First Name)	(User ID)	Teacher	yes	VIEWSTUONFIND
