Webex - Import/Export Options - iPass User Group Meeting (June 2019)

User Group Meeting - June 12, 2019

Below please find the link to the webex recording for the June 2019 User Group Meeting.

News & Updates:

- eSped Update - eSped made changes that effect batch report sFTP file transfer. New public keys need to be created. Support is working on updating sites.
- 2310 Support Content Teachers with no courses - DESE changed the way they are handling the data sent from these teachers with non-course Work Assignments. Error being thrown for too many teacher assigned to a (random) course. Support is working with DESE to resolve this. It will require a patch release and directions to clear the errors.
- Photo Upload now has share files folder. This allows users to share files securely using an MFT server.
- Personalized Coaching Hours Available
    - State Reporting Validation Errors
    - Elementary Scheduling
    - EOY Procedures
