Is there a way to copy my mid-term or final exam grades from an assignment in Rankbook into the Add/Modify Course Grades screen or do I have to enter them all manually?

There is a new copy function for users on Version 7.0 or higher that includes the ability to select an assignment such as mid-term or final and import the grades into the corresponding grade heading. iTeacher Add/Modify Course Grades document is available for download in the iTeacher Help folder.
