On-line Recommendations - Detailed iTeacher

On-line_Recommendations_Detailed_iTeacher -

This query lists By Teacher all the Recommendations the teacher entered in iTeacher.

Select School Year and School Name.

NOTE: Be sure to select the NEXT School Year to see teacher recommendations for the next school year.

The data range is for the current school year. It will include all students with Enrollment Status = E (Enrolled) during the year specified. If running for NEXT year Recommendations, student are NOT yet enrolled for the next school year.

Report lists By Teacher, each Student, their Grade Level, Counselor, the recommended Course ID and Course Name, the date the recommendation was created in iTeacher, and the Comment entered by the teacher.

Helpful Hint! The Excel report file can be sorted by Student Last Name to see all recommendations given for a particular student.

***Query Revised March 2017*
