

iPASS Navigational Toolbar Help

The Navigational Toolbar saves you steps by allowing you to easily navigate from student-to-student within a system or jump to other system pages for a selected student.

Use the Toolbar icons to navigate iPass quickly and efficiently:

- Search and select students from a current student record
- View Previously Viewed Students
- Jump To Previously Viewed Pages and Saved Pages
- Create a list of Saved Students
- Email directly from a student record (configurable by school)

The Toolbar appears at the top of the screen in any system where users can navigation from one student to another. This includes:

- Biographical System – Add/Modify Student & Find Any Student
- Scheduling System – Modify Schedules & Requests
- iHealth System – Add/Modify Student
- View Only Access – Select Student to View
- Success Plans – Add/Modify Student

All lists, including saved pages and saved student lists are stored by individual user.

Refer to full documentation below for more information.
