How do I run an Advanced Export Report to get information for last yearâ€™s Graduates (ie. YOG 2014)?

You must use the following Filter Criteria: Select the Start/End Dates for the previous school year, the one they graduated in (ie. 2013-2014); Select the â€œgraduatedâ€ Grade Level (ie. G14); Set Include Incoming = Yes. This will include non-enrolled students such as Graduates.
