# Patch Release Notes - 7.0.20160104_sync

Sync Version Only:

## Description

A program for this part of the release needed to be sent out again to sites for the Yes/No Indicator to show up on the screen.

A new indicator was added to School Attendance Parameters titled â€œAllow Multiple Daily Attendance Recordsâ€. When this parameter is set to â€œNoâ€ the application will not allow multiple codes for a student in a given day.
