

Why are all the students in the Out of District school generating the SIMS error of “Days in Attendance exceeds maximum for collection period”?

The Out of District school calendar must include major holidays and school vacation weeks. The DOE validates SIMS Days in Attendance (DOE017) such that the days cannot exceed 65 for October 1 reporting, cannot exceed 170 days for March 1 reporting, and cannot exceed 261 days for EOY reporting.
