Course Catalog Listing with Descriptions

This query creates a report of the course catalog's course listing and associated descriptions.

Select School Year and School Name.

The report includes Course ID, Course Name, Course Short Name, Course Description, and Academic Year.

The report also includes a Yes/No indicator for Show Recomendation and Availailable as Elective for each course. This will help in reviewing courses available for selections in the Online Recommendation process.

Instructions on how to download queries to upload to your iPASS site can be found in iPASS Help > My Queries > Help > How to import a query*.*
